The Professional Association Dedicated to Advancing the Gravure Industry

Since 1947, various entities have existed to serve the needs of the gravure printing industry and the professionals who work in it... known today as the Gravure Association of the Americas (GAA).

Though the names of the organization may have changed through the years, our mission has remained constant - to provide the opportunities, resources, and expertise gravure professionals need to be competitive and successful in the printing industry.

- ✦ Network with print buyers, suppliers, and other printers
- ✦ Share best practices and quality standards that showcase the excellence of gravure
- ✦ Increase your business through our widely circulated annual buyer's guide
- ✦ Access technical articles and papers for essential and advanced gravure techniques
- ✦ Access discounted rates and privileges for participating in annual industry competitions like the prestigious Gravure Cylinder Society
- ✦ Be part of technical committees, councils, task force groups, and more
- ✦ Attend events for advancing gravure knowledge and expertise
- ✦ Receive technical training and consultation services at member rates
- ✦ Take advantage of exclusive advertising, promotion, and sponsorship opportunities
- ✦ Enjoy a direct line of communication with government and industry regulatory agencies and help develop standards and protocol for the future of gravure

It's much more than a membership. Being part of the GAA is your chance to build your business, enhance your printing performance, and shape the industry for years to come.
